

22nd April 2016

Dear Parents/carers,

Thank you all for your kind words, messages and support following the death of Mrs Ronan.

It has been a difficult week for everybody, but your children, as always, have been fantastic. The thoughtfulness and kindness that they have shown to each other and to staff has been wonderful to see and on occasion brought a tear to the eye.

Many of you have asked about donations, flowers and a memorial. Now that we have more information we can share what our thoughts are. We will be collecting donations for parents who wish to contribute for the following:

- a school contribution to Mrs Ronan's chosen charity of 'Cancer Research UK'.
and/or
- a school memorial, the exact format of this has not yet been decided but will be plant based as this was a great love of Mrs Ronan.

As a school we will be sending a floral tribute on behalf of all staff, parents and pupils to the funeral on Friday 29th April. School will remain open on this day.

If you would like to contribute to one or both of our collections then please send in your donations in an envelope, clearly marked with which collection, to the school office.

Once again, thank you for your support and please do not hesitate to contact either Mr Slater or myself if you require further information.

With best wishes,

V. Hayles
Executive Head
