Autumn  
Term

Friday 23rd October

We break up today for our half term holiday after a very busy and interesting half term. We return to school on Monday 2nd November.

### Harvest

Thank you to everyone who kindly donated gifts of food for our harvest celebration. These have now been distributed to local residents, friends of school and to The Salvation Army.

Thank you also to everyone who came along and supported the children during a very enjoyable Harvest Celebration in school. It was fantastic to see the hall so full!

### Books and Book

Many thanks to all who supported the school during Book Fair week. We had an amazing response and managed to sell approximately £1000 of books. This means we will be able to claim £600 worth of free books for the children!

### Macmillan Coffee Morning

Last week's coffee morning was a huge success, with a great turn out enjoying some very tasty cakes! A huge thank you to all who supported the event: over £200 was raised to help this wonderful charity. Some excellent ideas were also shared for exciting forthcoming events. Watch out for more details over the next few weeks.

### Money sent into School

We would like to encourage parents to send any payments either by cheque or electronically to minimise the amount of cash sent into school. It actually costs our school over £2000 per year - just to count cash!

Please use your child's Squid account to pay for dinners. Trips, activities and music tuition can be paid directly into our bank account:

Westdale Junior School

Sort Code: 20 63 28

Account number: 60458856

### Forthcoming events

Monday 2nd November - Return to school

Wednesday 4th - Friday 6th November - Y6 Residential to Caythorpe

Thursday 5th November - Y3, 4 and 5 - Science day

### Halloween

After all the good work we do building up positive relationships with our community, especially older members through harvest gifts and carol singing, we are again asking our children **NOT** to go Trick or Treating unless they are accompanied by an adult and only to knock on doors of people they know. This is also for their own safety. We hope you can support us with this.
