

Grant received- £18,410			
Total number of children on roll- 240			
Summary of Grant spending 2018-19			
Objectives			
To effectively use the Sports Grant to raise the profile and outcomes for children in PE, Sport and physical activity across the school.			
PE Sports Grant used for	Cost	Summary of intervention/action	Impact
Daily Fun fit sessions (30 minutes each morning)	£1,445	To develop fine and gross motor skills, improve hand-eye coordination and general fitness for groups of identified children.	Greater confidence and self-esteem when tackling tasks and ability to participate in PE sessions recorded. Resulting in ability to tackle work with less support and closer to ARE
Maintenance of school MUGA	£906	To ensure the surface is fit for purpose. To ensure fencing and gates are secure for purpose.	This has enabled children to participate in a wider range of school activities on a high quality safe sports surface.
Spots day medals	£38	Gold, silver and bronze medals	Encouraging children to participate fully in sports day and to feel proud of their sporting accomplishments
Dance CPD for all class teachers	£993.75	To develop the skills and subject knowledge of dance for class teachers.	Teachers have improved their confidence teaching dance and have taken part in team teaching activities to develop a better understanding of how dance can be taught.
PE equipment	£517.81	A range of PE equipment-footballs, dodgeballs, tennis balls, Rounders posts, hurdles and cricket balls	To provide high quality resources, thereby ensuring the best possible opportunity for children to become engaged in PE.

Lunch time quiet area games	£32.88	A selection of games for children during lunch time.	This has encouraged more children to participate in sustained physical activity during these times.
Swimming programme – year 5 and 6	£1,890.00	The hire of a local swimming pool, trained swimming coaches and teachers to accompany children to their swimming lessons.	To support those children in year 6 who require addition support to competently swim 25 metres.
Girls and boys football club	£975.00	Two staff member to run the girls and boys football clubs and take them to home and away matches.	Providing children with the opportunity to develop their football skills and play in competitive games against other schools. Children have developed their team work skills, self-esteem, confidence and physical fitness. This has also encouraged children to join both the boys and girls football teams at their secondary schools.
Netball club	£260	One staff member to run the year 4 and 5 netball club.	Providing children with the opportunity to develop a deeper understanding of netball and learn the positions and tactics needed for game play. Also to develop their physical fitness and a range of social skills.
Hockey club	£520	One staff member to run the year 5 and 6 hickey club.	Providing children with the opportunity to develop a deeper understanding of hockey and learn the positions and tactics needed for game play. Also to develop their physical fitness and a range of social skills.
External provider- SEN pupil engagement	£5,400.00	A trained sports coach to support children with SEN children during lessons and small interventions.	To help to develop SEN children with personal, social and physical skills through a range of physical and interactive activities.
TOTAL	£12,978.44
