

## Breck Hill Park

Dear Parents/Carers,

You will know from the drawing competition which came home recently with the children that Westdale Junior School has been helping the Friends of Breck Hill Park lately in their bid to secure funding to improve and breathe new life into this recreation ground for the community. They want to show that there is 'a community need' for improvement to this rather neglected park, which is only a stone's throw from Mapperley Top. The drawings the children did will really help them - and in addition there were lots of really great ideas too!

The Friends of Breck Hill Park have also requested that we ask you and your children to complete their community survey about the park. They are particularly keen for **children**, (separately to their parents) to have their say – they would like to hear what this important group thinks about the park, even if they don't really go there, or haven't been for a long time. Perhaps more importantly, they'd like to hear about what they want from it in the future.

**They have set themselves a goal of 500 completed surveys, and are nearly there with 414 so far. They would very much appreciate your help to get them to their target!**

Here is the link to the online survey. It only takes a few minutes to complete.

Thank you.

Mr. D. Ring

Additionally, the Friends of Breck Hill Park have already been busy on the fundraising front. They have been adopted as one of the Co-operative's current local 'good causes'. If you are a Co-Op member, you can nominate them to be the recipient of your 1% of profits. If you are not yet a member, you could always join.

Here is the link to the Co-Op Members' page.

Thank you once again.
