

As part of our continuing efforts to reduce waste and lessen our negative impact on the environment, Westdale Junior School is endeavouring to be as paperless a school as possible. The financial savings will enable the school to allocate additional funds to support teaching and learning for our students; we will also considerably reduce our environmental footprint by the reduction in our use of paper and other consumables.

What does this mean for our parents?

- All communications will be sent via e-mail or text messaging.
- Copies of letters will also be available through the main office and on our website.
- Parents/Carers will have easy access to relevant information, which means no more letters lost or lying in the bottom of a school bag.

Email or text message will be our first method of reaching parents, so it is important that your contact information is kept 'up-to-date'. Please ensure that the school office has all your current contact details, especially your email address and current mobile phone number and advise us immediately if any of these numbers change.

****Please note that the new school dinner menu has been sent out today via email and uploaded onto our website****
