Dear Parents and Carers,

## Year 6 Pound Project

Today, your child has brought home a pound coin. This is part of an exciting project that they will be undertaking during this year, the profits from which will go towards a reduced price, end of year experience that we hope they will remember fondly!

The pound should be used to either make or buy some cakes or biscuits to then sell at a cake sale next **Friday 16<sup>th</sup> December** after school. You may “enhance” and “supplement” the £1 school starting fund with additional baking ingredients and decorations that you may already have at home. In the past, when I have run this project, children have grouped together in teams to pool their resources. They have spent an afternoon at one child’s house to make a batch of cakes together. Cakes or biscuits should be brought to school next Friday morning where staff will collect them and keep them safe until the end of the day.

Going forward, there will be a least one cake sale per half term and a chance for the children to make more profit from running stalls at the Summer Fair.

We hope that this project will be a great success and thank you in advance for your support.

Yours sincerely,

**Ruth Kyle – Head of School**
