Dear Parents/Carers

**Re: Wrap Around Care**

We have been made aware of significant changes to pre-school provision on the Westdale Infant School site from September 2020, affecting wrap around care arrangements.

We have been in discussion with the Infant School over recent weeks regarding provision for wrap around care in the future and from September 2020 we will offer breakfast and after school club facilities for our **Junior School** children.

We see this as a great opportunity to offer our families a quality wrap around experience that dovetails seamlessly into the school day, with no need to move from one site to another. In addition, those parents/carers who have found it difficult to access a 'kids club' place for Junior School children in the past (due to the high demand placed on Woodpeckers) can be provided for.

We will send our wrap around care proposal to all our parents/carers via email, hard copies will be available from the school office. Please look out for and respond to this as your comments and feedback will be invaluable in assisting us in the planning stages to create the best provision possible for our pupils.

We have much work to do to be ready for September and will, of course, keep you informed of any updates as they arise.

Yours sincerely

Rob Slater

Head of School
