

Friday 29th November 2019

Dear Parent(s)/Carers,

We are fortunate enough to have access to the use of a Food Technology room at Carlton Academy to prepare and box up our salads for our DT project, thanks to a parent that works in the department.

On Tuesday the 10th December, class 3L/M will walk down to the secondary school after registration and will return before lunchtime. Class 3M will follow the same timetable on Tuesday 17th December.

Children will need a waterproof coat and a water bottle, and may bring a snack for afterwards if they wish.

Yours sincerely,

Mr. Middleton and Mrs Mason
