

## Verbs and adverbs

**LO: We are learning to use verbs and adverbs.**

***A verb is a doing word or action.***

**Underline the verbs in these sentences.**

1. The mouse found the cheese.
2. The cat chased the mouse.
3. The frog leaped into the pond.
4. The boy ate the chocolate bar.
5. The car skidded round the bend and crashed.

**Change the verbs in these sentences to alter the meaning.**

The girl **dropped** the ice-cream.

---

The red team **won** the race!

---

The family **loved** camping.

---

The children **bake** a cake.

---

The boy **ran** across the road.

---

**An adverb describes the verb.**

For example: The alien **suddenly** jumped up behind them and burped **loudly!**

An adverb can be positioned before or after the verb.

**Underline the verbs in these sentences, then circle the adverbs.**

1. The cat purred softly.
2. The giant sneezed loudly.
3. The man drove quickly.
4. The sun beat fiercely.
5. She sang beautifully.

**Change the adverbs in these sentences to alter the meaning.**

1. The teacher spoke **sternly**.

---

2. The boy **carefully** wrote his name.

---

3. The car **quickly** came to a halt.

---

4. The children played **noisily**.

---
