

## The Holy Trinity

- The word 'Trinity' is very important in Christianity as it explains a key teaching about the way that Christians understand the nature of God.
- For Christians, God is trinity and that is three united 'things' together.

### So what are the 3 parts of Trinity?

- The Father
- The Son
- The Holy Spirit

God the **Father**, the one who cares for us and loves us like a good father. He is the creator and sustainer of the world.

God the **Son**, Jesus, the one who was sent to earth as a human being in order to save humanity from itself. He is both fully God and fully human. He is the example of how to be.

God the **Holy Spirit**, the aspect of God present and working in the world. Like the wind, the Holy Spirit cannot be seen but the Spirit's power can be felt. The Spirit is traditionally regarded as the feminine in God.
