

Booking your wraparound care sessions

Dear Parents/Carers

Breakfast and afterschool sessions must now be booked via the school website – even if your child/children attend the same sessions each week.

The school office uses the online bookings to create the daily registers and accurate registers are an essential part of our commitment to safeguarding, particularly for afterschool sessions. Please help us to cut down on the admin time associated with producing daily registers by confirming your booking online – it's easy!

Go to www.westdalejuniors.co.uk

Click on 'Parent Information'

Select 'Wraparound Care'

Select 'Wraparound Booking'
