<p style="text-align: center;">Times tables</p> 	<p>We need to speed up! On the timetable square use a 10 minute timer. See if you can answer all of the questions in that time.</p> <p>Well done class Kanchenjunga on winning this week's battle again! 😊 Whichever class wins the battle each week, will receive extra playtime on a Friday! Get battling!</p> 																									
<p>Other</p>	<p>You must keep practicing your times tables. Type into Google multiplication test- first option that comes up. This will give you a chance to practice the test with timed questions.</p>
